OUR SERVICES

At MAAS GROUP, we specialized in the supply of premium electrical mechanical industrial instrumentation materials and the execution of complete electrical projects across industrial, commercial, societies and residential sectors internal & external electrification. Whether it's a small-scale installation or a large infrastructure development, we deliver reliable, cost-effective, and high-performance solutions tailored to our clients' needs.

Electrical Tools

Plumbing

Lighting

Health Tools

***Empowering
Your electrical
Infrastructure.***

Our Products are available in various sizes and specifications to suit your requirements.

OUR BRANDS

Panasonic	ITCC	TABALSA	COOPER Crouse-Hinds	S3C
Wheatland Tube JMC STEEL GROUP	DECODUCT CABLE MANAGEMENT SYSTEMS	B3 International	الفنار alfanar	Belden
MESC	Jeddah cables COMPANY	BAHRA ELECTRIC	General Cable	RIYADH CABLES GROUP
Steel City	ABB	Schneider Electric	PARTEX MARKING SYSTEMS	الترلايت ULTRALIGHT
Raychem from TE Connectivity	BRADY WHEN PERFORMANCE MATTERS MOST™	BC CONDUIT	EAT•N	MK by Honeywell
furse	legrand®	GE	SBI Connectors	TERASAKI Innovators in Protection Technology
tepco	logstrup	Red•Dot®	حديد الجزيرة Jazeera Steel	WALLIS

OUR BRANDS

PRODUCT LINE

Conduits & Fittings

- EMT Conduits & Fittings
- Rigid Steel Conduits & Fittings
- Steel & Liquid-tight Flexible Conduits & Fittings
- PVC Coated Conduits & Fittings
- PVC Conduits & Fittings
- NEMA TC-2 Conduits & Fittings
- Gas/Boilers/Seamless Special Tubing's

Cables & Wires

- LV & MV Cables
- Low Smoke Cables
- Wires (NYA & AWG)
- Data & Instrumentation Cables
- Power Cables
- Networking Cables

PRODUCT LINE

Raceways & Boxes

- Square & Octagonal Boxes
- Handy & Extension Boxes
- BS Outlet Boxes 7x7 & 7x14
- Weatherproof Boxes
- Explosion Proof Boxes
- Junction Boxes
- Stainless Steel Boxes & Enclosures
- Plastic Boxes

Cable Connection & Installation

- LV & MV Cable Lugs
- Cable Glands
- Joints & Terminations
- Wire spring Nuts
- Cable Pulling Lubricant
- Cable Cleats
- Cable Ties

PRODUCT LINE

Marking & Identification

- Cable Marking
- Cable Identifications
- Labels
- Printers & Ribbons

Circuit Breakers & Enclosed Switch

- Safety Switches
- Load Break Dis-connectors
- Vacuum & SF6 Circuit Breakers
- Air Circuit Breakers
- Molded Case Circuit Breakers (MCCB)
- Miniature circuit breakers (MCB)

Enclosure

- Free Standing Enclosures
- Commercial Enclosures
- Outdoor Enclosures (NEMA 4X & NEMA 12)
- Explosion Proof Enclosures
- Instrument Housing
- Fiberglass/ Non-Metallic Enclosures

PRODUCT LINE

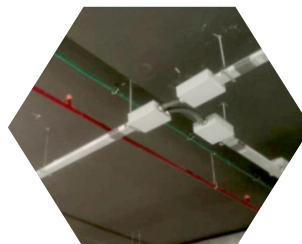

Switchgear/Panel Board

- Low Voltage Panels
- Control Panels
- Synchronizing Panel
- Stainless Steel Panels

Busbar Trunking System / BTB

- LIGHTING BUSWAY 25A-40A
- COMPACT AIR INSULATED
63-100-160A
- INSULATED SANDWICH BUSWAY
250A-6300A

PRODUCT LINE

Earthing & Lighting Protection

- Earthing Bars with Bonds & Clamps
- Earthing Tapes
- Air Terminals
- Welding Components
- Electronic System Protection.
- Earthing Inspection Pits

Lighting Fixtures

- LED Lighting Fixtures
- Commercial & Decorative Lighting
- Indoor & Outdoor Lighting
- Street Lighting
- Lighting Poles & Hight Mast
- Aviation Lighting
- Lamps & Ballasts

Wiring Devices

- Commercial Switches
- Sockets
- Floor Boxes

PRODUCT LINE

Plumbing, Sanitary, Valves, Automation & Instrumentation System

- Thermal Conduit
- Plumbing Material
- Sanitary Tools
- Valves (Gate, Globe, Check, Ball, Butterfly,
- Needle, Plug & Relief)
- Tubing (Straight and Coil)
- Tube Fittings & Pipe Fittings
- Instrument Manifolds
- Air Distribution Manifolds
- Vaporizing Regulators, Pressure Regulators
- Clamps
- Condensate pots
- Wires

Rotary Valve

Globe Valve

Needle Valve

Axial Valve

Ball Valve (90 degree turning)

Butterfly Valve

Knife Gate Valve

Linear Valve

Gate Valve

Rising Stem Valve

Pinch Valve

HEALTH, SAFETY & ENVIRONMENT (HSE)

we place the highest priority on Health, Safety, and Environmental (HSE) standards across all our operations. We are committed to creating a safe, healthy, and environmentally responsible workplace for our employees, clients, and partners.

Our HSE Objectives:

- ⚡ Ensure full compliance with local laws, regulations, and international safety standards
- ⚡ Promote a zero-accident culture through continuous safety training and awareness
- ⚡ Enforce the use of Personal Protective Equipment (PPE) and proper safety procedures on all job sites
- ⚡ Conduct regular risk assessments, audits, and inspections to identify and mitigate hazards.
- ⚡ Minimize environmental impact by adopting eco-friendly practices and waste management systems

We believe that effective HSE management is essential for sustainable success. Our teams are trained and equipped to maintain the highest levels of safety and environmental care on every project, regardless of size or complexity.

Emphasizes forward-thinking innovation and the ability to create solutions for the future, reinforcing your proactive approach in engineering.
